

Father to the Fatherless

Ministering to the street children, orphans, single mothers, and widows in Uganda.

Pure and undefiled religion in the sight of our heavenly Father is this: to visit the widow and orphan in their distress, and to keep oneself unstained by the world. ~James 1:27

We thank God, Construction on Phase One Nearly Finished!

It is hard to believe that just last quarter we announced beginning construction on Phase One of the Primary School. Here we are, three months later, and this phase is almost complete. We thank each and every person who has supported us in prayer, encouragement, and financially. The school will be a tremendous blessing to the community and to each child who attends. The master plan has four phases to complete the school complex. Look online to see the entire vision for the F2F land.

Will you sponsor a child?

For only \$40 per month you can make it possible for a child to attend school in Kampala.

Hilda Akello, currently in 3rd grade, is looking for a new sponsor.

In addition to the financial support, she also needs prayer to encourage her to do well in school and to feel hopeful.

If you are led to support Hilda, or any other F2F children, go to our website and select the Child Sponsorship tab to meet the child you can start supporting today!

Hilda wants to continue attending school, she just needs a sponsor!

Dear Faithful Child Sponsors,

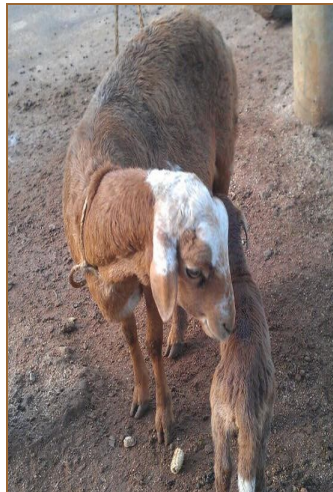

We are asking to increase the monthly sponsorship rate to \$40 per month. Transportation costs in Uganda and donation credit card fees caused us to make this decision. As always, 100% of your donation goes directly to the ministry costs of these children.

Thank you for your continued support.

We thank God, the Provider.

Our Namuganga Village church, on the Father to the Fatherless property, rejoices in the good things happening in 2017! Cows, sheep, and goats have been purchased to help sustain the church. The goats and sheep have already had babies!

The animals not only keep the grounds trimmed and neat, they also are sustaining the people living on the campus right now. These animals are our building blocks to long-term sustainability. Praise be to God!

Wow! Thanks Generous Supporters!

The February fund raiser at **Kidz-for-Kids** in Grand Junction was a huge success! We had more than 100 kids come and **raised more than \$2,200** for the Primary School!

A local school in Grand Junction, **Independence Academy Charter School**, held a "Change-for-Change" drive where they **raised \$1,350** for the Primary School!

Mathias was able to speak, encouraging them to do well in school and thanking them for their generosity and for being a blessing to Father to the Fatherless.
