FATHER TO THE FATHERLESS INTERNATIONAL

I will give you a place to set your foot....Joshua 1:3

Greetings and Praise be to God!

We are so grateful that God has brought angels in our midst (you and other prayer warriors)! Because of your love and sacrifices God has made us proud owners of 100 acres of land near the town of Mityana, Uganda!

We had two hectic back-to-back trips to Uganda this year so far. Both proved to be a time of amazing ministry as well as a lot of hard work. We experienced many ups and downs, intense moments and incredible miracles. Finally, after praying, searching and visiting several plots of land, God brought us to a beautiful place called Namuganga Village. We were able to finalize the purchase as well as visit with the local residents and even start fencing the land while we were there. The people were very welcoming and excited to have us. We feel so honored that God is allowing us the opportunity to bring our projects to this land and to this community.

Now that the land is purchased it is time for us to really get moving! We have formed a hard working board of wonderful people on the

ground in Uganda. Between them they have a great variety of talents and gifts. We worked with them day and night and were so impressed by their passion and dedication. It is humbling to see God working through each person and through every detail.

Please keep us in your prayers as we now embark on a clean water project, sustainable income producing projects, kids camps and as we fundraise for major building projects: A school and an orphanage for starters. If you share our vision and feel so led to give financially, we would be most grateful. Together we can make a huge difference by God's grace!

'You, Lord, hear the desire of the afflicted, you encourage them and you listen to their cry, defending the fatherless and the oppressed so that earthly mortals will never again "strike terror."
Psalm 10 17-18

Signing the land documents

HOME SWEET HOME!!!

Fencing of the property begins!

All for the street children, orphans and widows....

Stop Look Listen

And be a Voice for the Voiceless....

A Warm Welcome!

We are very pleased to announce that our former board secretary and co-servant for Chirst, Anne Dean, has joined us as our new volunteer Executive Director! Anne brings us many years of Executive non-profit ministry management and it is a blessing to have her on board. We look forward to working with her and we are excited to see how God will use us together as a team to help the most needy people in the world all for His glory!

A Small Miracle...

Many thanks to a very thoughtful donor: Ginny McGriffin. She so graciously prepared oral hygiene packets for children in need and they were taken over to Uganda with us on our most recent trip.

Her efforts will help many children for months to come.

Thank you Ginny!

This precious little girl lives on the streets of Kampala with no hope for a future. Help us to help children like her by praying for our ministry and supporting our projects financially. There is much work to do and if it is not us then who?

Somehow amidst our hectic schedule with buying the land, God allowed us to minister to the youth in Kampala on our last trip..... What a joy and a blessing!

Please Pray For Us!
